

SAN MATEO COUNTY

Veteran ID Program

The San Mateo County Veterans Services Office is proud to provide the over 33,000 San Mateo County Veterans with a free Veterans ID Card. These cards identify Veterans who served in our Armed Forces, and received an honorable discharge following their military service.

We are asking local merchants to join our effort to recognize our Veterans' service to our great country. Participating merchants will be issued small window decals to display that they offer special benefits and discounts to Veterans.

The County Veterans Services Office plans to publish a list of all merchants participating in the program in our marketing materials and County social media. We will also issue the list to all those Veterans that use the County Veterans Services Office.

Throughout the County, such stores and restaurants offer Veterans discounts or other benefits. Local businesses decide what discount to offer. You may find the list of participating merchants on our website or recognize them by the special decal posted at their site.
